sportsforkidstimmins@gmail.com

Dear Sports Organization,

We would like to take this opportunity to reach out to your organization as an opportunity for a new partner and to offer ball hockey again to our applicants. We are seeking contact information and partnership agreements, so that we can enable disadvantaged children to participate in dance and sport programs in Timmins. Sports for Kids Timmins mission is to help children overcome economic barriers which limit or prevent their full participation in dance and sports. We believe all kids should have the opportunity to play and to enjoy their childhood with equal opportunity; we believe the ability to pay should not decide which children can play.

Your partnership support would be appreciated to assist us in continuing to support our applicants. Since we have a charitable number, we can issue charitable receipts.
No act of kindness is too small to be undertaken or appreciated. The children of Timmins count on your kindness.

Please complete the contact information sheet. If there is a change in information, please email us the new information throughout the year. For this partnership, we provide: your organizations name and logo on our website and your sport contact information and registration dates on our site on the sports contact page. If you chose to make a charitable donation of $400.00 or more then your name goes on our banner, a link to your website on our website, and your logo on the sponsorship page and a charitable receipt.

If any information changes, please notify us immediately. If possible, give us the link to registration and any codes that are required so we can place them on the voucher to assist the parent/guardian.

Also, please complete the partnership section. Sports for Kids Timmins fees can only cover registration for a coached sport and cannot be used to cover private or semiprivate lessons, HST, insurance, travel, costumes, or organizational fees to provincial or national groups.

Payment is by a voucher system then you are to invoice Sports for Kids Timmins once per term or once a year once registration is completed. Maximum amount we provide per child is $450.00 and the parent then must pay the difference and insurance

Thanks again for you continued support.

Please return the completed form to sportsforkidstimmins@gmail.com

Sincerely,
Colleen Landers, President Sports for Kids Timmins
705-266-3201
