

SPORTS FOR KIDS TIMMINS

HISTORY

- The organization started as Kid Sport Timmins on June 7, 2002 as the first chapter in Ontario. Kid Sport began in BC. It was adopted nationally in 1993 at the Annual General Meeting of the Canadian Council of Provincial and Territorial Sport Federations. The money was raised by hosting the provincial AAA Midget championships in 2001 and many volunteers raised $85,000 so we could launch the organization.
- In 2014, we used the name Sports for Kids Timmins as we were granted a charitable number and could not use it under the Kid Sport banner.
- In 2018, we became Sports for Kids Timmins and dropped the Kid Sport name so that it became a local charity, raising money locally, governed locally and granting to children from low-income in Timmins. This way all money raised in Timmins stays in Timmins and allowed us to increase the sports opportunities and change our income thresholds. Sports for Kids Timmins Charitable number 824143721 RR0001.

Community mandate

- The Sports for Kids Timmins mandate is to focus on creating conditions that enable and support children and youth to participate in sports, recreation and physical activities. This includes eliminating a range of barriers so children can engage in play, and thus receive all the benefits associated with constructive sport and recreation opportunities.

- Sports for Kids Timmins believes that because sport, recreation and physical activity provide documented substantive social, educational and health benefits, they must be accessible to all children, and that no child should be denied the tremendous associated benefits.

TESTIMONIALS

Sports for Kids Timmins truly works magic for our family! We are incredibly grateful for this program and the opportunities it gives our children. Seeing how happy and excited our kids are when they get to participate in sports is priceless. Without this program, we simply wouldn't be able to afford to have our children involved in these activities. It takes a huge financial burden off our family and allows our kids to experience things they otherwise might miss out on. We cannot thank Sports for Kids enough for what they do for families like ours. (Parents of 6, 8 and 10 year olds)

I love playing sports! It makes me happy, I get to have fun, learn new things, make friends and be part of a team. I'm really thankful I get to participate! (10 year old Soccer player)
